## Congratulations to the 2016 Citizen of the Year

You may know him as "Denny"... YES owner of Denny's Sub Shop. Denny has been open for 40 years this year. Denny is a community man, for many years he sponsored teams in local sports. He also donates to many charitable events. Denny is always friendly whether you see him at his restaurant or out in public. There's not to many places you can call to place an order and they know you by your voice.

Denny has a huge fan club as I had a lot of people write in nominating him for this recognition.

Be sure to tell Denny Congratulations!

### Dennis Hill

When you enter the Town Hall lobby you will see a box for donations to be placed in for Southern Tier Dog Control which is the dog control agency that is used by the Town of Big Flats

They are asking you to HELP if you are able

## From the Town Supervisor

2016 is now over half over and we are now looking at budget time for 2017. The state has set the inflation rate at .0017% with the allowable levy growth factor of .0068%. For the last three years we have been able to stay under the tax cap and we will be working hard to do this again in 2017. This will mean cuts of over \$500,000 in the 2016 budget as the town will lose another \$100,000 in sales tax revenue in 2017. We will be posting updates on the town's budget on the town's website during this process.

*Tim Gilbert will be leaving the Town of Big Flats as Director of Code and Planning. Tim has done a great job as director gaining the respect of the builders and developers in the Big Flats area. I want to thank Tim for all that he has done for the Town of Big Flats and wish him well in his new career. Tom Whispel will be heading the Code Office for the town and the town will be entering into a contract for services with STC for the planning office.*

The Town is applying for a CFA Grant for the expansion of the new playground at Community Park Extension. This project was put together by the Fourth Graders at Big Flats Elementary School. This will continue with the town's master plan of having an ADA compliant playground for the youth in Big Flats.

Our Summer Taffy program celebrated its 60<sup>th</sup> year of service to the youth in Big Flats. I want to thank Marge Tremaine and her staff for a great job. The program this year provided a summer program to over 500 young adults in the Big Flats area.

The I86 Corridor Committee has been working hard on several CFA and URI Grants for 2016 and 2017 to create new jobs, housing, and a better vibrant community. This committee has received recognition from several agencies and state offices in New York for the projects that each of the four subcommittees have been working on.

The Department of Public Works again in 2016 has completed several major projects such as \$1,000,000 in road improvements, upgrading of the Community and Community Park Extension ball fields, and the water department will have the new pump station online by the end of August giving the towns water system backup from the Elmira Water Board for future commercial development.

I want to thank Kevin Kole for hosting our summer concert series on Thursday nights from 6pm to 8pm. I also would like to thank the Big Flats Lions Club for serving refreshments at these concerts. We will be working on winter concerts in the coming weeks at the Community Center.

I would like to invite everyone to come to our Town Board meetings and be part of the local government process. They are the second Wednesday (4:30PM) and the fourth Wednesday (7:00PM) of the month.

## Thank You

*Thank you to all that participated in, attended, and helped work the 2nd annual Big Flats Community Center Open House & Information Fair. The event was a great success. Over 60 vendors participated and close to 800 attended. The Town of Big Flats is a wonderful place to live, work and play.*

*Looking forward to next year's event!*

## A BIG Thank You to Mohammad Latif

for his generous donation towards the 1st Community Picnic.

Because of his donation residents were able to attend the picnic at no cost to them.

## Congratulations

Congratulations to the  
 BIG FLATS players for winning the  
 District 6 Little League Championship

## *Big Flats Women's Club*

The Big Flats Women's Club annual college scholarship awards dinner was held on June 21<sup>st</sup> at the Big Flats Community Center.

This year's recipient Mia Strollo and her family were guests at the dinner.

Mia was awarded a \$500 College Scholarship, which she will use while attending Nazareth College to study nursing. The club was very happy to meet Mia and wishes her well in her future education.

For those not familiar with our group, it all started back in 1957 when 13 women came together at the home of Bess Oakley to unite the women of the community for civic purposes and for the improvement of the Big Flats Community. Along the way these ladies supported efforts to improve the town zoning laws, the parks and traffic and most importantly in 1968 its major project of helping to establish the Big Flats Branch Library. Our group meets four times a year and conducts various fund raising activities to support the library, our scholarship fund and various local charitable causes. Please call Ann Hayes, 562-8523 for more information about the group and its activities. We welcome new members and guests at any of our meetings. Our fall meeting and membership drive will be September 20<sup>th</sup> at 6:00pm at the Big Flats Community Center. Plans for celebrating our 60<sup>th</sup> anniversary in 2017 are beginning! In the above picture Bobbie Vence President of the Club is awarding Mia Strollo her scholarship check.

## From the Historical Society

Join us!!! Help us preserve the history of Big Flats. If you haven't been to the museum (258 Hibbard Road), it's a must see on your list.

5 pancake breakfasts in our pavilion, May - September,  
9 dinner meetings at the Community Center  
and 6 newsletters. Just \$15.00 yearly.

At our June 2016 dinner meeting at the Community Center we gave our annual "Volunteer of the Year" award. This award is honoring a volunteer who has helped the society during the year by sharing time and effort above and beyond. A Steuben Eagle is passed from the last year's winner to the new winner. This award was proposed and funded 14 years ago thru the thoughtfulness of Bob & Thirza Gibbs.

Our past volunteer honorees are:

Starting in 2003 ; Betty Farr McIntyre, Sylvia Mattoon Radford, Frank Reynolds, Linda Patrick & Chuck Edmister, Glen E. Bates Jr., Joyce Reasor Losey, Gary Nelson, Pamela M. Farr, Earl Wright, Sylvia Mattoon Radford, Ann Burt Hayes, Sally Wright, and last year 2015 Alice McKay.

The Steuben Eagle has left Alice McKay's home and now resides in the 2016 Volunteer of the Year's home of "Carmella Coppola".

## *The Library Advocates*

The Big Flats Library Advocates had a very successful Garden Tour on Sunday July 24th. Nine sites were on the tour and even though it was in the high 90's everyone had a great time. The lack of rain didn't deter the gardeners from showcasing their hard work and the Advocates greeted the visitors with enthusiasm.

We had a raffle with many wonderful items and Greg Lamb won the beautiful quilt that Ann Hayes and Robin Fitzgerald made.

First on the tour was the library garden itself. Muriel and Chuck Friend along with Advocate volunteers planted many bulbs and annuals. It can be enjoyed when sitting at the new Reading Garden pavilion.

Then came the Big Flats Community Center. Ed Fairbrother, Big Flats Supervisor, hosted the garden tour and showed visitors five areas that had been lovingly tended by Pat Schichtel.

Moving on to the beautiful garden of Lisa and Dan Boylan. A little gem with a koi pond that's hidden right on Canal Street.

On Brookside Circle is the Anne and Greg Lamb garden. On the Memory Walk many of the perennials were given to Anne by family and friends. In fact many of the flowers were gifts from family members.

Up on Quail Run is the home of Joann and Ron Thompson. Many of the areas are dedicated to family members and the waterfall is a sight to see.

On Somerset Drive is the home of Vicie Rolling. Much of the garden is new since a house fire in 2003. Vicie has planted vegetables, trees, flowers and hosta that the deer love.

David and Julie McCausland live on Easterbrook Drive. Their garden features 500 daylilies that Dave is evaluating for possible registration and introduction into commerce.

On Chambers Road Ruby Fabiny has an amazing garden that includes an herb garden and a variety of vegetables. And last but not least the Calderone garden on Chambers Road has vegetables, flowers, a pond with ducks and frogs and beehives that gave Giuliana 82 pounds of honey last year.

All proceeds from the Garden Tour and raffle will be used for the benefit of the Big Flats Library.

Lee Hanle Younge

President

### New Online Feature for the Water Department

Wondering if you paid your bill? Did you lose your bill? Need billing information for tax purposes? Now you can look up your water account online! Go to the Water Department page of the Town's website and sign up through the web portal. You can also pay your bill online using a debit/credit card. The payment feature carries a small cost but to register your account is free!

## Chemung County Habitat for Humanity

This year over 400 volunteers got their hands dirty to help Chemung County Habitat for Humanity build safe and affordable housing for our local neighbors in need!

Chemung County Habitat for Humanity, the local affiliate of Habitat for Humanity International, is a nonprofit organization that builds safe and affordable homes for ownership by local families in need. Habitat homeowners are chosen by the Selection Committee based on the family's housing need, their willingness to partner with Habitat and their ability to repay a very low interest rate mortgage loan.

Habitat for Humanity build so much more than homes! The Chemung County affiliate also offers the Home Repair Program, a program providing local low-income families with much needed exterior home repairs like painting, repairing porches, constructing accessibility ramps, and more. The program allows our elderly and disabled neighbors to safely remain in their homes.

The Healthy Homes Program, a fun educational workshop series, offers Chemung County residents classes exploring budgeting, financial skills, energy efficiency, nutrition, basic home maintenance skills, weatherization skills, etc.

In 2016, Habitat for Humanity will rehabilitate 2 homes for 1<sup>st</sup> time homebuyers, repair 20 owner-occupied homes for our elderly and disabled neighbors, and will offer Healthy Homes' classes to 45 individuals. If you would like to contribute to the work of Habitat for Humanity in Chemung County or participate in one of Habitat's programs, please call 607-734-1361 or e-mail [info@ChemungCountyHabitat.org](mailto:info@ChemungCountyHabitat.org).
